Complete 1 worksheet for each object. You may respond to the questions below with text and/or images.

## 1. Name the object:

My fruit medley scented candle

## 2. Describe the object (size, colour, material, handmade, manufactured, etc.):

It is a small candle in an aluminum tin, it is manufactured and has a sweet fruity smell. The label is pink with strawberries and the wax is an off white beige colour

## 3. What is the intended function(s) of the object:

To burn and melt to make a room smell nicer

## 4. What is the cultural context of the object?

*(What era was it made? Is there a geographical connection? Is there a connection to gender, class, or race? Is the object taboo, a banal everyday item, or sacred, etc?)*

This kind of candle is a modern type, its not particularly tied to any one place or group, but it may be associated with summer as strawberries and fruit is associated with summer

## 5. Do you have a personal connection to the object?

*(Does the object conjure a memory, symbol, or reaction for you on a personal level?)*

It was a small welcoming gift from my grandma, so it makes me happy to look at it when I get home from class.

6. Name the ways the object can be manipulated? (Broken, wrapped, filled, burned, stitched, etc.)

-Crush or melt the wax

-Bend/break the metal

-cut the wick

7. Mental Associations 1: Name three (3) things/elements that have a commonality or similarity to this object.

-Air freshener, smells good

-Wood, also burns

-butter, also melts when hot

8. Mental Associations 2: Name three (3) things/elements that are opposite or in contrast to this object.

-Smoke, makes the air smell bad

-Rocks, no scent or purpose

-Black candle, opposite in colour
